The Hope Centre In North East Cheshire
Sort Code: 05-05-68
Account No: 39998985

The Hope Centre opened its doors nearly 10 years ago and has helped countless people within our community, providing a safe space to meet, a listening service, offering volunteering and upskilling opportunities and the sale of Christian-related resources, all within the context of our café, which is central to our day-to-day activities.

Since the 1st lockdown we have provided nearly 5000 meals to the local community and have supported over 400 people through the telephone listening service.

The need in our community has never been greater and we believe that God has provided us with the opportunity to serve him at this time and we are thankful for being a witness through action, and meeting the people where they are at. As our service has expanded, the need to develop The Hope Centre has never been so apparent, so we have taken a leap of faith and have followed God's calling to push forward with the refurbishment of the Hope Centre.

We have made a list of items which we require, some of which are very expensive. If you would like to make a donation towards the full or partial cost of a particular item, we would be very grateful. Payment can be made by either Bacs or Cheque. Please use the reference e.g. (TK01) alongside the item of equipment you select. Any donation will go a long way to helping us achieve our vision and would be greatly appreciated.

Thank you for your continued support.
Trustees and Management Team

*If the target is reached for a particular item,
the Trustees reserve the right to allocate donations to other essential equipment*
