Daily Reflections for Lent

Looking for a simple way to reflect this Lent? Copies of Draw Near, the Church of England's Lent 2026 daily reflection booklet, are available at the back of church — please take one.

The booklet offers daily Bible readings, short reflections, prayers and practical ideas to help you grow in faith as we journey towards Easter. Each week focuses on a key part of Christian discipleship, including prayer, worship, Scripture, communion, service and sharing the good news. Reflections are also available Monday–Saturday on the Everyday Faith app.

ROOF WORK

This is one of your Churchwardens bravely inspecting the new roof on the tower the other week (thanks to Kevin, and James from Heritage for encouraging her up there). Unfortunately it was quite a misty day so the views were not the best, but the new roof is very smart and should keep the bells, clock and office dry for another hundred years or so. The new lead replaced very damaged and worn slates.

That is why there was scaffolding on the tower for several months!

We are very grateful to the organisations who together contributed, via their grants, about half the cost of the work. VAT has been reclaimed from the Government's Listed Places of Worship Scheme (discontinued from April 2026)

This work doesn't seem very exciting, and most of us will not notice the benefits, but it has dealt with the most serious and immediate problems affecting the building, to preserve it as a place of mission in the Town Centre of Macclesfield. Repair of the leaky main (nave) roof is a much bigger and more complex project for which planning needs to start SOON.

There was also work to repair leadwork on the Savage Chapel roof, and to repair and remodel the gutter outflows on the north aisle, so heavy rain comes out through the wall instead of into the wall.

**NO MORE
BUCKETS...WE
HOPE!**

The work was carried out by Heritage Conservation Restoration Ltd, who braved two named storms and many freezing, cold and rainy days.

Many thanks to them!
